# Jonathan's Tall Tale of Camp Lincoln

## Chapter 1

### How You Sign Up for Camp

First you need to sign up on line. You send \$210 to sign up for Camp Lincoln for one whole week. I am going to Camp Lincoln during my April vacation. I am looking forward to going.

## Chapter 2

### How Camp Lincoln Works

First you get on the bus. Then you let them put on your name tag. Next there is a small green bus. Then you sit in a seat on the bus. You will see people. We will be going to places and have activities each day of the week.

## Chapter 3

### Different Activities for Each Day

At Camp Lincoln they take us to all these amazing places every day. On Monday we go to Franklin Park Zoo. I've never been to a zoo before. On Tuesday we go to Take Me Out to the Ball Game (not the song) to become baseball fans. On Wednesday we will have Stepping into Art. We will be making statues there. On Thursday Wildlife in Wild Places is what we'll do. We will be learning about wildlife and we will be seeing some wild animals, not a whole lot. Friday Camp Lincoln School of Witchcraft and Wizardry is what we'll do. Harry Potter will be coming to Camp Lincoln. We will be doing potions, herbology, flying, learn the game of Q uidditch , and we will do the Tri Wizard Tournament.

## Chapter 4

### What to Pack for Camp

I need to bring a snack, sneakers, a jacket, a water bottle, an extra snack, and a name tag.

## Chapter 5

### Prizes

They give us cool prizes at the end of the day depending on how good we've all been. When they give prizes, they give us something to remember the people who helped us. There were people who helped us. There were people who explored with us, did physical activities with us, and played games with us. They give us prizes to remember them and Camp Lincoln. Finally, after a while week, we come home and that is the end of our little tall tale.
